

1 Plain

You can cite, in order :

- article : An article from a journal or magazine[Ang88]
- book : A book with an explicit publisher[Bel78]
- booklet : A work that is printed and bound, but without a named publisher or sponsoring institution[Duc]
- conference : The same as inproceedings[RC03]
- inBook : A part of a book, usually untitled. May be a chapter (or section, etc.) and/or a range of pages[DC06]
- inCollection : A part of a book having its own title[ACL90]
- inProceedings : An article in a conference proceedings[CSG⁺13]
- manual : Technical documentation[Bru]
- mastersthesis : A Master’s thesis[Bla15]
- phdthesis : A PhD thesis[CQ13]
- proceedings : The proceedings of a conference[Coo03]
- techreport : A report published by a school or other institution, usually numbered within a series[CFPVer]
- unpublished : A document having an author and title, but not formally published[BLU⁺]
