

1 Plain

You can cite, in order :

- article : An article from a journal or magazine[1]
- book : A book with an explicit publisher[2]
- booklet : A work that is printed and bound, but without a named publisher or sponsoring institution[3]
- conference : The same as inproceedings[4]
- inBook : A part of a book, usually untitled. May be a chapter (or section, etc.) and/or a range of pages[5]
- inCollection : A part of a book having its own title[6]
- inProceedings : An article in a conference proceedings[7]
- manual : Technical documentation[8]
- mastersthesis : A Master's thesis[9]
- phdthesis : A PhD thesis[10]
- proceedings : The proceedings of a conference[11]
- techreport : A report published by a school or other institution, usually numbered within a series[12]
- unpublished : A document having an author and title, but not formally published[13]
