1 Plain

You can cite, in order :
— article : An article from a journal or magazine[4]
— book : A book with an explicit publisher[6]
— booklet : A work that is printed and bound, but without a named publisher or sponsoring institution[2]
— conference : The same as inproceedings[13]
— inBook : A part of a book, usually untitled. May be a chapter (or section, etc.) and/or a range of pages[12]
— inCollection : A part of a book having its own title[5]
— inProceedings : An article in a conference proceedings[11]
— manual : Technical documentation[1]
— mastersthesis : A Master's thesis[7]
— phdthesis : A PhD thesis[10]
— proceedings : The proceedings of a conference[3]
— techreport : A report published by a school or other institution, usually numbered within a series[9]
— unpublished : A document having an author and title, but not formally published[8]
